The Tasmanian Government has commissioned the Local Government Board to undertake a broad review into the future of local government in Tasmania. The review will look at the fundamentals of the local government system: the role it should play in supporting communities, the services it should be delivering, and the most effective ways of doing so.

This is the eighth in a series of newsletters which will provide periodic updates on the Local Government Board's [Future of Local Government in Tasmania Review](#). These newsletters will also provide updates and information on key engagement opportunities to ensure you understand how to have your say on local government in Tasmania.

FUTURE OF LOCAL GOVERNMENT REVIEW COMMUNITY MEETINGS

In December, the Board released the *Future of Local Government Review Stage 2 Options Paper*, which lays out a broad and ambitious set of ideas and options for improving Tasmania's current system of local government. You can read the proposed options at www.engage.futurelocal.tas.gov.au

Now, the Board wants to test these options with the community. In February 2023, we will be hosting a series of Community Meetings across Tasmania. These meetings provide the opportunity to come and discuss the draft options for local government reform.

All events will be held from 5.30pm-7.30pm, and will be fully catered. There will also be two online meetings at 5.30pm on the 13 and 14 February. To register your attendance at a community meeting scan the QR code or go to <https://engage.futurelocal.tas.gov.au/community-meetings>.
