## **KENTISH/LATROBE COUNCIL**

As residents of Kentish Council area, although right on the border of Latrobe, we are both in favour of the following option:

### **2 votes for option 4 (FOUR)**

As the two councils already work successfully together, Option 4 would be the most effective and logical solution .

Future council elections should reflect votes for Mayor/Deputy Mayor and eight (8) councillors, this would give at least 4 council members from the varied locations. A system of 4 wards in each geographical area would cover this.
