To whom it may concern,

Very urgent to reduce the number of Councils from 29 to a maximum of say 7 Councils – North Western, Northern, North Eastern, South Eastern, Southern, Western & Midlands Councils.

For approximately 530,000 people 7 councils are more than sufficient, compared to other regions in Australia.

The Tasman Council is far too small and should have been forced to amalgamate with the bigger Sorell Council years ago.

Regards
